MARIETTA, OHIO, SATURDAY, JUNE 29, 1901.

TEN CENTS A WEEK

## FINAL

### Races of Summer Meet

### HOTLY CONTESTED

### Crowd Was Small But Sport Was Fine.

### MARIETTA DRIVING CLUB

### Seems to Have Established an Annual Meet on a Firm Basis.

The last day of the races dawned clear and sultry, but noon brought a cooler breeze and just enough rain to keep all but enthusiasts away from the races. The crowd was small, but the racing was fine, and to those that love to see horses really go it was more exciting than the other races. The type of horse was altogether different from those seen in the other races.

The interest and eagerness displayed by the horses, which seemed so eager to go, and seemed to know so well what was wanted, made horse racing lose that cruel feature that is so much objected to by some people. The racing was fast and furious, there was no jockeying, the horses ran the race and the best horse won. The track was in fine condition for running as the records of the races will show.

The races yesterday were run for the best two in three heats. The following is the record:

HALF MILE RUN. PURSE, \$100.  
Merry Merrick.....1  
Chaf. Wells.....2  
Duello.....3  
Palmer.....4  
Irish Emma.....5  
Time—51½, 51¾.

THREE QUARTER MILE RUN. PURSE, \$100.  
Miss Alfaron.....1  
Our Lida.....2  
Snowden.....3  
Josokosot.....4  
Bonny E.....5  
Time—1:18, 1:17½.

ONE MILE RUN. PURSE, \$100.  
Mark Hanna.....1  
Our Lida.....2  
Brossort.....3  
Time—1:49½, 1:48½.

By agreement among the interested parties Mark Hanna received first money and Our Lida second.

The racing week is over and the Marietta Driving Club seems to have established on a firm basis an annual meet for racing. There was a surprising number of good horses in the meet and there were more people in town and more arrivals at hotels than for many weeks.

### Exciting Game.

The Parkersburg News of yesterday says:

The Parkersburg base ball team played its first game yesterday in St. Marys and the boys say it was a very warm one at that. Will Beuhler, the well known base ball crank of this city, started to umpire and got along very well until the seventh inning when the score was tied by the Parkersburg team. St. Marys claimed that Beuhler made a bad decision, and they raised a big kick. It was finally settled by letting St. Marys put a man in who umpired the bases. Beuhler still umpiring balls and strikes. During the next three innings St. Marys had three different umpires. The last time a change was made they put in a substitute player. In the tenth inning Parkersburg kicked on what they say was a very bad decision. They could not settle the dispute and the Parkersburg boys left the field. Umpire Beuhler awarded the game to St. Marys by the score of 9 to 0. Following is the

game by innings:

St. Marys.....0 0 5 0 0 6 1 0 3—9  
Parkersburg.....1 0 0 0 0 0 5 0 3—9  
Batteries—Hendershot and Lyons;  
Hall and Haddock.

The boys say they were treated loyally by the St. Marys people, and are only sorry that the game could not have been played without any kicking. They say that Umpire Beuhler was perfectly fair in his decisions, and that the St. Marys team had no kick coming.

## JUDGE

### Woods of U. S. Circuit Court is Dead.

By Associated Press.

Indianapolis, Ind., June 28.—Judge William A. Woods, of the United States Circuit Court, died suddenly tonight in his apartments at the Delano, on East Michigan street.

The Judge had been ill in the early part of the evening, but paid little attention to it. At midnight he was seized with sharp pains in the left breast, in the chest and in the shoulders, but protested against calling a physician. Judge Woods asked his wife for something in an adjoining room. When Mrs. Woods returned to her husband he was dead. Mrs. Woods summoned Dr. Jameson, who arrived a few moments after the death.

Floyd Woods, the only son, was notified and he hastened to the Delano. Alice Woods, the daughter, is in Massachusetts. Attorney General W. S. Taylor and Judge Baker, of the Federal court, were also notified.

Dr. Jameson gave out the following statement: "Judge Woods suffered from a hardening of the outside arteries of the heart. Three weeks ago he suffered a slight attack, but I did not consider the symptoms alarming. Another attack followed a week ago. Yesterday afternoon the pain increased and I made a careful examination, but his description of the symptoms gave me the impression that he suffered with stomach trouble. Yesterday the Judge came home feeling fairly well and ate a hearty supper."

## EIGHT

### Deaths From Heat in New York Yesterday.

By Associated Press.

New York, June 28.—New Yorkers experienced the hottest weather of the year today. The official thermometer registered 92 at four o'clock this afternoon. In Greater New York eight deaths and fifty prostrations from heat were reported up to midnight. In Jersey City and nearby towns about 20 prostrations, but no deaths have been reported. Tonight a gentle breeze cooled the atmosphere somewhat.

## KNIFE

### Used by a Desperate Negro

### WHEN ATTACKED

### By an Infuriated Mob, Bent on Lynching.

### TWO MEN STABBED TO DEATH

### And One Seriously Injured was the Result ---Negro Now in Jail.

By Associated Press.

Panther, W. Va., June 28.—Cornered in a house by a determined band of infuriated citizens bent on meting summary justice to Peter Price, a negro, charged with insulting a lady, Price in his desperate efforts to escape cut and killed George Hooks and F. M. McGraw and seriously cut Charles Davis. The murder occurred near Jaeger, near here.

Price, on seeing his pursuers, took refuge in the rear of a saloon. The mob battered down the door and as they entered Price threw himself forward with a knife in each hand and slashed at them. Hooks and Morgan fell to the floor and two revolvers in the crowd were discharged at Price inflicting slight wounds. With one desperate swing of his knife he laid open Davis' abdomen and then leaped from the window. He was captured by officers who hurriedly sent him to jail at Welch to avoid a lynching.

### Business Men Fight.

By Associated Press.

Lima, June 28.—John S. McKinney and Roscoe E. Barnett, business men of Arcadia, Ind., involved in a stabbing affray on an east bound passenger train which reached here this evening. Barnett stabbed McKinney five times in the neck with a knife. The latter is in a critical condition. Barnett was arrested. The men were enroute with a party of friends. McKinney claims that Barnett was the aggressor and the latter claims he acted in self defense.

## CRAZED

### By Heat and Ran off With His Engine.

Evansville, Ind., June 28.—Daniel Henyon, an engineer on the Louisville and Texas railroad, went insane from the excessive heat last evening and ran his engine two miles before he was stopped. Henyon lives in Louisville, and runs between Evansville and that city. He had been acting strangely all day, but late this evening, when he went to the Howell yards to get his engine, no one noticed his strange actions.

He jumped on his engine, not waiting on his fireman, and pulled back the throttle. The engine made the run from Howell to this city in a few seconds.

Several switches were torn up and one passenger train would have been wrecked had not the engineer seen the headlight of the approaching engine and got into a switch. When the depot in this city was reached the engineer imagined he was in Louisville and slowed up.

When taken from his cab he was wild and his eyes looked balls of fire. He will be taken to Louisville and confined in a private asylum. The damage to the switches torn up by Henyon will reach several thousand dollars. He recently lost two children, and this has preyed on his mind.
